Felicia

On behalf of OLEM and the TSDF DI Assessment Workgroup, I am pleased to submit the Final TSDF DI Assessment Report to the IPPC.

We made a few changes from the last version (shared with the IPPC in Janaury) to reflect edits from a final round of review by the TSDF DI Assessment Workgroup. This report cleared OLEM's ORCR program office last night.

Special thanks to all of the EPA staff across HQ offices and the Regions for their hard work and important contributions to this report.

Please let me know if you have any questions. Thanks!
